

FREEDOM

TO LEAD

YOUR ROADMAP TO SUCCESS

YOUR ROADMAP

01 THE PROBLEM

You are frustrated, tired, in the weeds of your business. You're worried about the current economy with no time or energy to focus on opportunities and development.

You're working IN your business and this won't change unless you try something different.

02 THE SOLUTION

A qualified, professional team of experts who become part of your business.

- A manager (VBM) on your leadership team to collaborate with and hold you accountable.
- Assistants to free you up, giving you back time and energy knowing the manager is making sure your operations run smoothly.
- Specialists to handle and fast track your projects.

03 THE OUTCOME

You start to see change in your business.

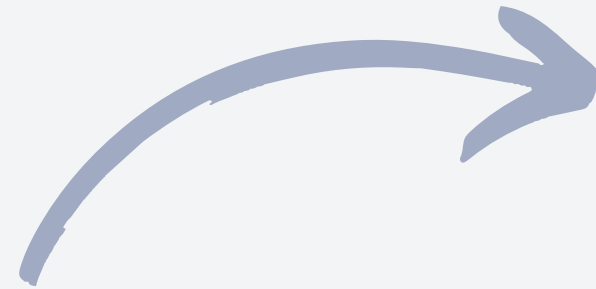

Increased profitability, and a self-managing business that no longer relies on you.

You have more time for family, pursuing your passion and in doing so, fall back in love with your business.

Freedom to Lead.
Freedom to Live Life.

HOW WE DELIVER
FREEDOM
TO LEAD

A TEAM APPROACH

COLLABORATIVE LEADERSHIP INTEGRATION:

Our Virtual Business Managers seamlessly integrate into your leadership team, providing strategic support and accountability to ensure your business objectives are met. They manage so you don't have to.

COMPREHENSIVE SUPPORT NETWORK:

We offer a team of highly qualified assistants and experts to manage daily operations, administrative tasks, and business development projects, freeing up your time and energy for higher-level focus.

SCALABLE AND FLEXIBLE SOLUTIONS:

Our service adapts to your business needs, allowing for scalable and flexible support that grows with your business, ensuring sustained success and profitability.

OUR PROVEN PROCESS

YOUR FIRST QUARTER

IMPORTANT MILESTONES

This first quarter is driven by your priorities, your business plan, and your definition of success.

We deliver this using the **EOS tools** *applicable to your business* so you start to see traction.

Your VBM will be leading this and working closely with you, while delegating tasks within our team and yours for speed of execution, and to free you up from the day-to-day operations.

MONTH
1

- Set quarterly goals with your VBM.
- Prioritise tasks and projects to delegate.
- Your VBM will work on a 90 day strategic plan to meet agreed goals.

MONTH
2

- VBM to execute plan, managing progress via weekly zoom meetings with you.
- Continue to delegate and shift your focus to your leadership role.
- Review month two with your VBM, discuss any issues in order to meet quarterly goals.

MONTH
3

- You have started to build a solid relationship of trust with your remote team.
- Progress is on track to meet this quarter's goals via your strategic plan.
- Hold quarterly planning day to measure success and set goals for the following quarter.
- Zoom check-in with Your VA leadership to review our service to date.
